TUESDAY EVENING, DECEMBER 9

To Advertisers.—As a

For this section fair weather Tuesday and Wed

Excouraging —As heretofore sailed Capt. R. F. Kaox is now engaged in getting up satisfies of the business done in Alexandria dering the nait year, which information Mr. F. A. Reed, the president of the Board of Trace, in his report will soon business to that board. From the information is that board. From the information is far secured it is shown that the business far scorned it is shown that the business far scorned it is far in excess of Excouraging -As heretofore safed the sourced it is shown that the business of the most like a merial proposed. The business is far in excess of the most like a f Trafe has taught the merchants to work | married to night. There and they are reeping the benefits. Bord secured too establishment of the a fields which would make Alexan- bonds-making \$18,865 90. coat depot filty miles nearer deep cheap fue for manufacturing puras a now at the justime of the B. & O., the C. & O., the class Line, with the Manas-as the Norfolk & Western, &c. Then the city has a mile of deep water frontial sit every way suitably located for memerial and manufacturing central property values are advancing to the city is on the last; property values are advancing to the city is on the last; property values are advancing to the city is on the last; property values are advancing to the city is on the last; property values are advancing to the city is on the last; property values are advancing to the city is on the last; property values are advancing to the city is on the last; property values are advancing to the city is on the last of the city is on the last o portunities?

went can be secured in Alexandria and hoped the merchants here will make an to secure all this trade which that must make the effort if they disserted. They must be up and denot wait for trade to come to them, and first let the public know that have full stocks of goods in all their ches of trade; that their goods are as as the best and that their prices are gher than are charged elsewhere. They is the public know what they have to not effortiancements to buy. The Gatin algreity circulated thoughout all section of country whose papers.

Remarkable Rescue.

Mrs. Michael Cartain, Plainfield, Ill, makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that in medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from the first dose. She continued its use and after taking ten bottles, found herself sound and well, now does her own house-form the first dose. She continued its use and after taking ten bottles, found herself sound and well, now does her own house-form the first dose. She continued its use and after taking ten bottles, found herself sound and well, now does her own house-form that their prices are given that their prices are given the first dose. She continued its use and after taking ten bottles, found herself benefited from the first dose. She continued its use and after taking ten bottles, found herself benefited from the first dose. She continued its use and after taking ten bottles, found herself benefited from the first dose. She continued its use and after taking ten bottles, found herself benefited from the first dose. She continued its use and after taking ten bottles, found herself benefited from the first dose. She continued its use and after taking ten bottles, found the second could cure her druggist and the large worse. He told her lungs; she was treate of cff rinducements to buy. The Gais sersely dreulated thoughout all
